

## MEXICO PROSPEROUS

Country's Trade Never in Better Condition-Outlook Bright.

## IMPORT TRADE INCREASES

Country Does Nearly Fifty Million Dollars in Trade With the United States.—Greater Than Combined Amount Done by England, Germany and France

Mexico City, Sept. 25.—Statistics of Mexico's foreign trade for the fiscal year ending June 30, show a healthy commercial condition. The imports were valued at \$85,861,081, gold, of which \$48,303,167 came from the United States, an increase of nearly \$8,000,000 over the preceding fiscal year.

Great Britain sent goods to the value of \$10,418,343, an increase of about \$400,000.

Germany contributed \$9,810,538, which is a slight increase.

France sent \$8,482,685, which is a gain of one million dollars.

The gold exported amounted to \$13,696,146, a gain of nearly three million dollars over the preceding fiscal year.

The total amount of silver exported (silver value) was \$63,523,645, which is a decrease of \$13,888,944. The total silver value of all exports was \$208,520,451, or about \$104,800,000 gold value. This shows a very satisfactory condition although a slight decrease from the preceding year.

Trade with the United States is growing steadily and will increase from year to year in the judgment of mercantile and banking houses.

The country was never more prosperous and the outlook for the coming year is a bright one.

Millers and others interested in the flour trade are hoping that the wheat situation will clear up soon. Under the present circumstances wheat landed here costs more than native wheat.

## DR. HAYNES TAKES CHARGE.

Makes Plea for a "Square Deal and Fair Play."

Seattle, Sept. 25.—Rev. Dr. Myron W. Haynes, this morning took charge of the First Baptist church. He referred briefly to his trouble with the Western Passenger association and declared that the incident was closed. About 2000 attended the morning service.

"I shall not publicly or privately refer to this subject again," said Dr. Haynes. "I take it that you believe in

## AN AWFUL SKIN DISEASE

Sores Covered Neck and Cheeks—Itched Day and Night—Nothing Did Me Any Good—Was Growing Worse.

CURED BY CUTICURA AT COST OF \$4.50

Miss Nellie Vander Wiele, of Lake-side, N. Y., writing under date of April 18, 1904, says: "I do wish you would publish this letter in the newspapers, so that others suffering as I have may see it and be helped. I suffered for many months with an awful skin disease, sores covering my ears, neck, and cheeks. Scabs would form and they would swell, and itch day and night. Then they would break open and blood and matter run out. I had tried many different remedies, but none of them did me any good. I was growing worse when I tried the Cuticura Remedies. The first application helped me, and when I had used two cakes of Cuticura Soap, three boxes of Cuticura Ointment, and three bottles of Cuticura Resolvent, I was completely cured."

## TORTURING, DISFIGURING Humours, Eczemas, Itchings, and Chafings Cured by Cuticura

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter, and salt rheum, all demand a remedy of almost super-human virtues to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such stands proven beyond all doubt by the testimony of the civilized world.

Cuticura Soap, Ointment, and Pills are sold throughout the world. Write Drug & Chem. Corp., Sole Proprietors, Boston. Send for "How to Cure Skin Humours."

me or I should not be here. There have been many things said and done that have been misunderstood and placed before the public in false lights. Of these you are cognizant. It would avail nothing to detail them here. I come to Seattle to work for God and this church and all that I ask, if I may use the words of our illustrious president, is 'a square deal and fair play' from the people."

## BOY FATALLY INJURED

Is Run Over by Automobile Driven by a Negro.

Chicago, Sept. 25.—Surrounded by a crowd of excited pedestrians, all threatening vengeance, Arthur Stewart, 16 years old, a negro, was held prisoner until the arrival of two policemen last night, after having knocked down and probably fatally injured Louis Weinburg, 10 years old, while driving an automobile at 20th and State streets.

In the automobile at the time of the accident were Mrs. Mary Stewart, the mother of the chauffeur, and William Hoffiday of Milwaukee, the owner of the machine. They also were prevented from leaving the scene of the accident, although when the police arrived young Stewart was considered to be the only person to blame. He was arrested, charged with operating an automobile without a license. The injured boy was taken to Mercy hospital, where physicians say he may die.

## THIS IS THE NIGHT.

This evening Fisher's opera house should be crowded to the doors to witness the elaborate production of the beautiful comedy-drama "Sweet Clover" headed by that versatile comedian Otis B. Thayer and Miss Gertrude Bondhill as "Lois." The play is a clean, sweet, pastoral composition, full of homely, simple, rural life, exhalant an atmosphere as fresh and fragrant as that of clover for which it is named. Delicate comedy, clean and wholesome, interwoven with tender pathos and dramatic climaxes of stirring interest, form the plot. The piece is irreproachable in moral purpose and abounds in sentiments of uprightness. Seats now selling at Griffin's book store.

## WILL NOT EXHIBIT

Meeting Called at Chamber of Commerce Last Night, Fails.

The call for a public mass-meeting at the rooms of the Chamber of Commerce last evening at 7:30 o'clock, signed by County Judge Trenchard, Mayor Suprenant, and President Welch of the Chamber of Commerce, fell flat, so far as attendance was concerned. The matter of sending a typical exhibit, or float, or other advertising medium, in behalf of Astoria, to the Lewis and Clark fair, as urged by the fair's representative, J. N. Dolph, who was here last week, does not seem to have taken much hold here. There were not half a score of people there at 8 o'clock, and adjournment was taken indefinitely.

## BOILS AND ERUPTIONS

Have been suffering from Impure Blood for many years, having Boils and other Eruptions. Having heard of S. S. S. I decided to try it, and am glad to say that it has done me a great deal of good. I intend to continue to use it, as I believe it to be the best Blood Medicine on the market.

Cleveland, Tenn. W. K. DETERS.  
For over fifteen years I have suffered more or less from Impure Blood. About a year ago I had a boil appear on my leg below the knee, which was followed by three more on my neck. I saw S. S. S. advertised and decided to try it. After taking three bottles all Boils disappeared and I have not been troubled any since.

Newark, Ohio, May 23, 1903.  
From childhood I had been bothered with bad blood, skin eruptions and boils. I had boils ranging from five to twenty in number each season. The burning accompanying the eruption was terrible. S. S. S. seemed to be just the medicine needed in my case. It drove out all impurities and bad blood, giving me permanent relief from the skin eruption and boils. This has been ten years ago, and I have never had a return of the disease.

The Medicine That Cures.

RENO, ORE., May 11, 1904.

Wine of Cardui absolutely does cure sick women. I consider it the most valuable medicine, and it is the cheapest cure any sick woman can use, as it takes as a rule, only a few bottles to effect a complete and lasting cure. I especially recommend it for uterine or ovarian troubles, inflammation and ulceration, painful, profuse or scanty menstruation and it is a most valuable adjunct to use during the gestative period, insuring easy childbirth and speedy recovery.

It should have a place in every home as it is a true friend to wife, mother and maiden and I most heartily recommend it.

Dr. E. Buchanan

Dr. Mrs. Buchanan is an authority on the science of medicine and certainly appreciates the great work physicians are doing for the relief of sufferers. But this does not deter her from expressing her views in praise of Wine of Cardui.

Mrs. Buchanan's high intelligence and long and successful experience render her advice of great value. Wine of Cardui regulates menstruation, cures bearing-down pains and relieves suffering women of the pain and misery to which their sex is heir. You have the word of Dr. Buchanan and thousands of other eminent women that Wine of Cardui will completely cure you.

All druggists sell \$1.00 bottles Wine of Cardui.

### Dangers of Defective Plumbing.

Defective plumbing permits the entrance into the house of sewer gas bearing germs of contagious diseases to which the human system readily succumbs.

Sewer gas is not necessarily generated in the sewer, but is frequently created in the plumbing system within the home and enters the apartments through defective fixtures.

If in doubt, consult us regarding the piping and replacing defective fixtures with "Standard" Porcelain Enameled Ware—acknowledged as the best sanitary equipment.
